

FILM IN A YEAR PROJECT

“The Community Theater for Filmmaking”

1. At the start of your video state your full name, age, height and what character you are auditioning for.
2. Read through each side on camera doing your best job to portray the character while having someone else read the lines opposite yours off screen (how well your off screen partner reads will not affect you)
3. Position the camera to get a front facing medium shot of you (from the top of your head to just below your chest)
4. Submit a separate video for each character you want to audition for
5. Videos MUST be shorter than 3min
6. Videos MUST be uploaded to YouTube and titled as follows when you upload to YouTube “Film in a Year Auditions 2014 – CHARACTER – YOUR FULL NAME”
7. Submit your audition video at <http://FilmInAYear.com/submit>

DOCTOR FRANKLIN

45 INT. MENSA BUILDING - OFFICE - NIGHT

The DOCTOR, director of the lab is sitting at his computer.

CUTAWAY:

Suddenly a red light flashes on his computer screen. A series of read outs and information is presented.

The Doctor examines it.

DOCTOR
What!?! This can't be!

He rushes to pull out a binder - frantically flipping through the pages - he comes to a phone number.

He looks at the screen again, pulls up other numbers to verify. Nods.

He dials, the phone rings.

AGENT JOHNS
Agent Johns.

DOCTOR FRANKLIN
Um, Hello Agent. This is Doctor Franklin, we met in Berlin at the Mensa meeting.

AGENT JOHNS
Ah, Ok. What can I help you with?

DOCTOR
I believe I have a level 1 genetic anomaly here. Someone is doing experiments in lab 3b. The results are out side of what any normal human can do.

AGENT JOHNS
Ok, Thank you for the tip. We will be there shortly. Don't interfere and cut all recordings and stop all data streams.

DOCTOR FRANKLIN
(Shocked and appalled)
What? Why would I do that?

AGENT JOHNS
Doctor. That was not a request. If it is what you think, I'll make sure you're on the research team.

For now discretion is our ally.

DOCTOR FRANKLIN

Uhh, Ok. Ok.

The Doctor Franklin types on his computer. A box pops up asking are you sure you want to stop all recording and data streams.

He looks for a moment, then clicks "YES".
